Alberto Giorgi & Laura

FISM 2025 Turin

World Vice-Champions in Stage Illusions
Invention Award

An inimitable style that perfectly blends tradition and modernity, Alberto Giorgi & Laura will take you into a fascinating world. Their uniqueness has allowed them to win the most coveted honors on international stages.

Among the most significant are the prestigious Mandrake d'Or awarded in Paris and their award at the Shanghai International Magic Festival. Additionally, they received the Magic Stars trophy at the 25th Monte Carlo Magic Stars, held at the Theatre Princesse Grace at the request of Princess Stéphanie of Monaco. In 2025, they were named world runners-up in Stage Illusions and received the Invention Award at the FISM World Championships of Magic in Turin.

Alberto Giorgi & Laura have developed an incredibly personal magical universe with fantastic machines inspired by the imagination of Jules Verne and Herbert George Wells.

Due to their innovative and visionary approach, their stage characters seem to come directly from the world of Tim Burton.

The refined elegance of their performances and their incredible illusions will take you on an extraordinary and fantastical journey for a unique experience.

Alberto Giorgi & Laura are part of the cast of The Illusionists 1903, the most significant magical production of the famous and iconic Cirque du Soleil.
