Artem Shchukin

Artem Shchukin continues a family tradition in magic, initiated by his parents, Sergey and Margarita. A graduate of the Moscow Theater Academy, he has revolutionized magical entertainment by innovatively merging magic with theatrical art.

His talent has propelled him onto prestigious stages, including the famous Magic Castle in Los Angeles. In 2022, his mastery of manipulation earned him the title of World Champion, awarded by the International Federation of Magic Societies in Quebec. In 2025, he received second prize in Comedy Magic at the FISM World Championships in Turin. He is also a Mandrake d'Or recipient and winner of the Allan Slaight International Rising Star Award.

A complete artist, Artem blends theater, pantomime, music, and personal expression in a creative approach where magic is central. His ability to evoke wonder in his audience is unmatched, making each performance an unforgettable moment. His unique approach has also inspired a new generation of magicians, underscoring his lasting influence in the art of magic.

Discovering his universe is to explore the world of a magician who redefines the contours of his art.
