Topas

TOPAS is a FISM World Champion of Manipulation. A virtuoso performer, he has spent over two decades blending spectacular illusions, intelligent humor, and technical precision on some of the world's most prestigious stages.

Awarded the "Goldener Zauberstab" in Monte Carlo and named "Illusionists of the Year" in the United States with his partner Roxanne, he has appeared in more than 50 international television shows, from Las Vegas to Tokyo. Born in Stuttgart, he began performing magic as a child and won major competitions in his early teens. His career quickly reached a global scale: Paris, New York, Beijing, Rome, Budapest…

With a style that merges grand illusion and stand-up comedy, TOPAS mixes technical mastery with playful spontaneity. A true master of modern magic, he creates visually stunning shows while building an intimate rapport with his audiences. He embodies a magic that is contemporary, inventive, and deeply human—making him a leading figure on today's international magic scene.

He has also received a Mandrake d'Or and the FISM Special Award for Creativity and Artistic Vision in 2022.
